OUR PRACTICE

Clarity in information presentation, proactive facilitation and direct experience, separates Burdon Torzillo from conventional consultants.

Our team has a wide range of expertise, experience, ability to communicate in cross-cultural situations and a deep understanding of the Indigenous Community and governments.

Our clients include; Australia's leading Indigenous organisations, those that work with the Indigenous sector and all tiers of Government. We work throughout urban, regional and remote Australia with; Health Services, Land Councils, Communities, Government agencies, the private sector, joint ventures and National Parks and Wildlife Services.

CHALLENGE

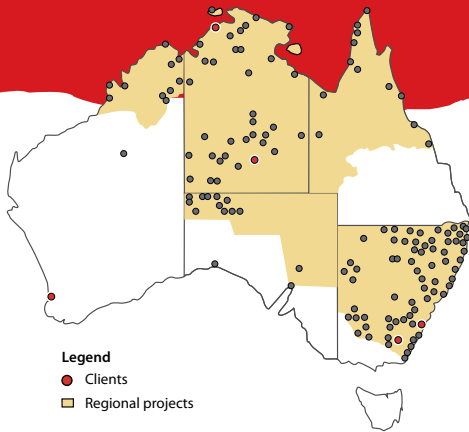

To govern and manage complex organisations in the most challenging of environments and deliver positive results.

There are expectations to reduce Indigenous disadvantage, improve outcomes, manage complex organisations with increased compliance and accountabilities and limited resources.

SUCCESS

Burdon Torzillo provide support, processes and tools that align and enable Boards and management to produce positive and sustainable outcomes.

OUR VALUES

Burdon Torzillo and their clients share common values;

- Integrity
- Respect for people and the environment
- Recognition of natural and social justice
- Working for the good of the community
- Proactive leadership
- Innovation and best practice
- Results focused

OUTCOMES/BENEFITS

Creating an environment of mutual respect and trust underpins our methodology, this maximises participation, genuine ownership and delivers optimum results.

This results in best practice governance, corporate stewardship, compliance and management, provides greater opportunity for growth and effective, efficient production of positive outcomes.

Burdon Torzillo is nationally recognised and sits on numerous panels of governance experts, including; ORIC, FaHCSIA, Native Title, IBA and OATSIH
