

# Facilitation

**maximised** participation **optimised** results

Proactive, effective and efficient  
Team aligned, a shared purpose  
Problem solved, strategic solutions  
Outcome and results focused

## FEATURES

- Expertly facilitated workshops.
- Everyone respected and involved.
- Right brain techniques - 'mind mapping', 'talking paper', 'quick pix' - maximise participation and unlock innovation.
- Narrative or business storytelling, uncovers the story behind the story.
- Visual explanations illustrate key concepts.

## CHALLENGE

How to find the optimum solution to complex problems in one of the most challenging business environments?

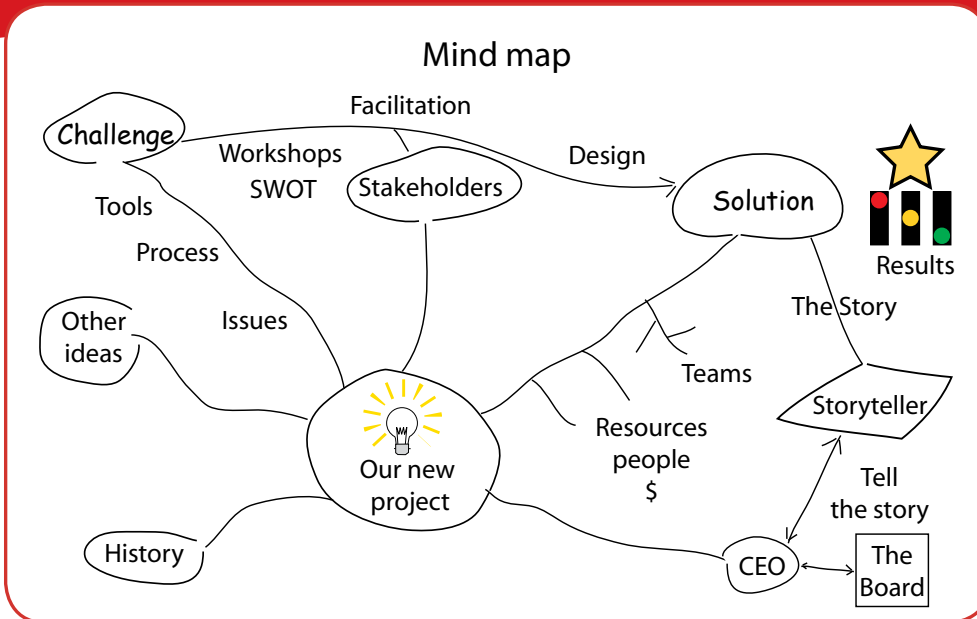

How to get the best from a diverse, cross cultural or multi-disciplined team?

## SUCCESS

Releasing the best within your team, revealing innovative solutions, creating synergies, implementing change and delivering positive outcomes.

Whether it be a review, to solving a major problem, Burdon Torzillo's facilitation techniques, tools and processes work.

## OUTCOMES/BENEFITS

An environment of mutual respect and trust underpins our methodology which maximises participation, draws out innovative solutions and delivers optimum results.

Outcomes from Burdon Torzillo facilitation techniques include;

- Problems solved, optimum solutions identified.
- Team aligned, a clarified and shared purpose.
- An outcome and results focused team.
- Improved corporate culture and team esteem.
- Increased effectiveness and efficiencies.

## TOPICS

- Corporate change.
- Decision making processes.
- Outcome focused, process flow systems.
- Plans, restructures and reviews.
- Submission design.
- Visions and directions.

*'Burdon Torzillo's facilitation techniques are a breath of fresh air. Their use of graphics gets the message across the language and culture gaps.'*

Tony Keyes, Lawyer, Central Land Council
